

2011 Tri-County Energy Camp Essay Contest Overview

A Touchstone Energy™ Cooperative 

What it is: Essay contest where students from within Tri-County Electric's service territory who write winning essays go on a four-day trip, May 31 – June 2 to Canyon Camp outside of Hinton, Oklahoma. At this leadership development camp, students learn about rural electrification while also having fun swimming, hiking and playing volleyball.

Essay topic: Describe ways in which you and your family can conserve energy and why efficiency is important for our energy future.
